

Traveling to Ecuador

Traveling to Ecuador is simple with multiple international flights arriving to either Quito or Guayaquil. We recommend our guests to arrive 24 – 48 hours prior to our cruise departure in order to anticipate to any flight delay or cancelation that may affect your check in with us.

Our expeditions depart every Sunday at 19:00 from either Manta or Guayaquil depending on your chosen itinerary.

If departing from Manta, we suggest to book an international flight to Quito. From Quito there is a short 40 minute flight to Manta in either Avianca or Latam. We will gladly assist you in booking the domestic flight from Quito to Manta if needed.

The Kontiki shuttle is available to pick you up from your hotel and take you to the port for timely check in. It is not possible to embark the yachts before check in time on Sunday at 19:00.

Check out is on Sunday at 9:00.
